On July 1, 2009, the parties filed a Stipulated Request for Order Continuing Time to			
Complete Discovery and Other Associated Dates. The court is not available on the hearing date			
requested for dispositive motions. Also, the requested schedule does not allow enough time bet	veer		
21 the dispositive motion hearing date and the pretrial conference date. Therefore, based on the			
parties' stipulation, the court's calendar, and the file herein,			
23 IT IS HEREBY ORDERED that trial and scheduling dates are continued as follows:			
Fact Discovery Cutoff August 21, 2009			
Designation of Experts With Reports August 28, 2009			
26			
Pursuant to this court's standing order, certain pretrial submissions will be due two weeks by			
the Pretrial Conference. If the court adopted the requested schedule, the parties would be required to file possible submissions on the same day as the dispositive motions hearing. This would require the parties to prepare pretrial submissions before the court rules on any dispositive motions.	etria
